The show will be presented outdoors on the West and North sides of the Depot building. Artists will have a standard 10' X 10' exhibition space. Canopies or umbrellas are not required, but if used they need to be white or tan. Artists need to provide their own exhibition equipment, tables, chairs, easels, etc., however the CFAC does have display racks that are available for rent. Wire grid racks are 6' high X 3' wide, rental \$6 each - supply limited – reserve early. The CFAC also has a few canopies available for rent at \$25, supply limited.

Entry fee is \$40 for CFAC members, \$45 for non-members.

The A&C Show is open to artists & craftspeople showing their own original work. Artists are responsible for their own spaces at all times, and for their own setup and take down. The CFAC does not provide insurance for art work. Individual artists are responsible for any sales tax collected or owed on their individual sales.

A&C Show will be presented Rain or Shine.

If there is rain on the 9th, an alternate artist spacing layout will be used, and the show will be presented Inside the Depot building. Because of the space limitations of an inside-the-building layout, and to give each artist fair space, the A&C Show is limited to a maximum of 12 artists.
